

Riga State Technical School coordinate Erasmus + project  
“Effective dialogue methods among the millennium generation and the teachers, employers”  
Co-funded by the Erasmus+ Programme of the European Union

## FRAMEWORK FOR METHODS FDCBPCS

### Innovative Teaching Method used by teachers in “Prof. d-r Asen Zlatarov” Vocational School-Vidin, Bulgaria

#### 1. Information about teacher/staff member in school

Teacher/staff member name, surname:	Mariya Ivanova
Position:	English language teacher
2-3 sentences about the teacher/staff member:	Has been teaching English for 11 years
Check X if you add picture of teacher/staff member.	

#### 2. Description for method.

Method name:	Quizlet for learning vocabulary
In what subject/s you can adapt this method:	The method is appropriate for all subjects where specific terminology or topical vocabulary is taught
General description of the method in a few sentences:	<a href="http://www.quizlet.com">www.quizlet.com</a> is a website where a teacher can create a set with the new vocabulary and students have different options of learning, testing and playing games.
Detailed description of the method:	
1. Step	The teacher has to make a registration on <a href="http://www.quizlet.com">www.quizlet.com</a>
2. Step	The teacher creates classes and sets of words for each class. You can either translate the word into the native language of the students or give a short definition. Pictures can be added as well.
