

Riga State Technical School coordinate Erasmus + project
“Effective dialogue methods among the millennium generation and the teachers, employers”
 Co-funded by the Erasmus+ Programme of the European Union

FRAMEWORK FOR METHODS

1. Information about teacher/worker in school.

#makepersonal

Teachers/worker name, surname:	Bryan Roberts
Position:	Vocational Business Subjects teacher
2-3 about teacher:	In my spare time I like to take my dogs for walks, go sailing, canoeing, hunting, walk in the forest picking berries and mushrooms and read about current affairs, business and history
Check X if you add picture of teacher.	

Description for method.

#makeinteresting #makeflexable

Method name :	Business knowledge through Restaurant Day
In what subject you can adapt this method:	Customer service, sales, accounting, marketing, logistics, teamwork
Description in few sentences:	Students plan and implement setting up a small restaurant stand on restaurant day.
Description of process :	Students plan setting up a small restaurant stand on restaurant day. They each put in a certain amount of money as funding for their enterprise They work together and as individuals and as a group giving the enterprise a name, logo, slogan, colours and work out what they are going to sell
2.	Then they work out how much their sale product will cost and at what price they will sell it at and how many they need to sell to make a profit.
3.	Then they look for a site for their restaurant stand and work out the logistics of how they will implement their plan and who will have which duties.
4.	They then implement their plan on restaurant day.
5.	After that, they work out how much money they made in profit or lost and reflect on what went well, what went badly, what they would do differently next time and produce an actual income statement for their little enterprise.
